In pursuance of the resolution of 1-3-1961, the Executive Engineer, No.1 B.R.C. Division has now investiaged and found that by putting an anicut across the halla, 250 acres can be irrigated in these two S.Nos. as the area can be useful for the expropriated ryots of B.R.P. as well as S.V.H.E.P. The Executive Engineer has not indicated however, the extent that would get submerged if this anicut is constructed. This should be indicated together with a sketch of the proposed site and extent of water spread before a decision can be taken. The area is situated in the Lakkinkoppa Minor Forest, which is 1123-19 acres in extent out of which 50 acres have already been

already been released. The area asked for now is adjacent to the area of 440 acres released previously. The crop consists of miscellaneous tree growth with a heavy soil.

2. Hosudi Lingapura:-

(S.No.17 - 88 acres; S.No.18 - 33.03 acres)

Total area asked for is 121-03 acres. The crop consists of poor growth of miscellaneous ~~fre~~ forest and congested and heavily worked bamboo clumps except some timber in one portion. There are Dindiga trees here and ~~t~~there. The ryots have settled down two seasons ago and ~~cultivated~~ cultivated portions which should not have been permitted and created such an awkward situation. The area is recommended for release.
